Serious Grills. Serious Fans.

The Team Grill Patio Series The Barbeque Grill for Serious Sports Fans

The Team Grill™ Patio Series is the barbeque industry's first-ever high-end gas grill designed specifically for sports fans. Combining professional-grade cooking capabilities with the colors and logos of popular sports teams, Team Grill creates a one-of-a-kind grilling experience for game day and every day.

Every Team Grill Patio Series grill is customized using a patented, triple-fired porcelain-enamel finishing process designed to perfectly match your team's logo and colors and last for the life of the grill. Plus, Team Grill lids and doors are interchangeable, so you can change the look of your grill from team to team, season to season.

Designed for backyard barbeques, the Team Grill Patio Series features a unique stainless steel front shelf and concealed control panel for a clean, elegant look. Extendable stainless steel side shelves make Team Grill the leader in extra preparation space. With the latest in infrared searing burner technology, a choice of stainless or cast main burners, a choice of porcelain-coated or stainless steel grates, and an optional side burner and rotisserie unit, the Team Grill Patio Series offers the ultimate cooking experience – one to be shared with friends and family as you cheer on your favorite team.
